WHO ARE WE?

Hammond Crane and Cartage is a load transport and Hiab company headquartered in Upper Hutt. We're a team of drivers and operators with countless decades experience between us. This expertise makes us confident that we can bring knowledge and a capable hand to any job large or small. We will get it done safely and on time at a competitive rate.

Our safety record is spotless with no major injuries in over 30 years of operation. We stick to some of the highest standards in the industry and are dedicated to ensuring the wellbeing of our drivers.

We provide a range of cranes for long or short term hire. Our vehicles are all expertly maintained and are available seven days a week, anywhere in the Greater Wellington Region.

Hammond Crane & Cartage Ltd offers the best in quality, price and safety. We have gathered a small team of operators with a range of skill sets, and experience from right across the transport industry. Our staff training exceeds industry standards and we go to work in world class equipment.

We have helped a wide range of clients with varying needs, from large scale roading projects to delivery of spa pools. Our clients include; Fulton Hogan, Downers, Higgins, CPB, Upper Hutt, Hutt, Wellington City and Greater Wellington Regional Councils, Broad Spectrum, North Power, Aggreko and others.

Some recent projects include work at, Arris

Tunnel, Terrace Tunnel, Wellington Airport upgrade, Transmission Gully, M2PP Roothing Project Spark and Vodafone 3g networks and Haywards Interchange.

We have all the appropriate certificates for site access and inductions so we can get to work right away.

For any more information about our cranes refer to **palfinger.com**. Contact us on **027 4420 882** or at **info@hammondcrane.co.nz**, we are looking forward to hearing from you!

No job is too small, if it can be done we'll do it.
